...Pedestals to position the FR240 apparatus at 190 cm from the floor

ACCESSORIES (not included): Art.960-02

Pedestals to position the FR240 apparatus at

190cm from the ground. In order to improve the

stability of the FR240, should fencers' or other people

bump into it, we recommend fixing the 180cm

pedestals on a wooden panel placed on the floor,

using the specially provided holes. The panel should

measure 112x100x2cm or more; it is not provided.
