

GAME-ON (Art. 390)

ELECTRONIC DARTS SCORER

- Ultra thin: thickness 4 cm; height 19.5 cm.; length 56 cm.
- Flat **membrane keyboard** with large buttons which make the scorer easy to use. Stylish printing and coloured 6cm numbers gives the scorer a pleasant look. Partial legs totalizer in 2.5 cm numbers.
- Each button has a lifetime of 5 millions punches.
- In case of the loss of electricity no point total being held in the memory file will be lost, no batteries are needed.
- Low energy consumption: max 6 VA 230 VAC \pm 15%.
- A sturdy plastic container completely insulated with no need for a ground connection. The scorer comes complete with cord and plug but can be easily opened for a direct hook-up.

Buttons function:

- ON/OFF button. Turns on and off.
 - SOUND ON/OFF. Turns on and off sound.
 - CANCEL GAMES. Cancels the partial legs display
 - START 301, 501, 701. For immediate start to game.
 - START XXX. Any start can be used with this button. If zero is chosen the scorer will automatically add scores.
 - 1 PLAYER. Allows 1 player only option.
 - MEMORY UP and MEMORY DOWN. Allows corrections of scores and visual of scores entered previously.
 - DARTS. See at any time the number of darts used.
 - AVERAGE. Gives average p.d. during the game and at the end by showing first the whole number followed by the decimals. i.e. 32 will show first and then 16. Will give exact average even if the game ended on the 1st or 2nd dart.
-

Options:

- **Infrared TELECONTROL (Picture)**. Range: 15m. An innovative system allows more than one remote control to be used in the same room without the need for setting any code. Power supply: with a 9-Volt alkaline battery. Lifespan: about 140.000 operations! Sturdy small alluminum box: 14.5 x 5.5 x 2.2 cm. Membrane keyboard which does not get ruined by dirt or liquids.
- **REMOTE CONTROL (Picture)**. Allows for remote control of the appliance by means of a separate keyboard attached to a 7m cable. It is useful when the scoreboard is positioned high up or far away from the operator (e.g. on walls with limited free space, thin columns; etc.).
