

**F.I.E. electronic signalling units and recording apparatuses for fencing 3 weapons**

**FA-15**

(art. 938-02) Size: 35x21x8.5cm.

FIE certified multifunctional fencing apparatus. Bluetooth connectivity for wireless data repeater. Free Android app for smartphones and tablets with several useful functionalities. Powered via USB power supply or handy Power Bank.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée  
Sabre

**FA-07**

(art. 940) Size: 60x40x13,5cm.

Multifunctional fencing apparatus complete with remote control, power supply unit, and carrying case. Suitable for highest level F.I.E. competitions, but convenient for all fencing clubs due to its reasonable price. Equipped with Ethernet port for the on-line management of competitions.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée  
Sabre

**FULL-ARM-05**

(art. 831) Size: 56x23,5x9cm.

Recording machine F.I.E. certified, to control the three fencing weapons.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée  
Sabre

**FULL-ARM-01/T**

(art. 824) Size: 56x23,5x9cm.

Recording machine F.I.E. certified, to control the three fencing weapons. Table version.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée  
Sabre

**FULL-ARM-01/W**

(art. 825) Size: 56x19x4cm.

Recording machine F.I.E. certified, to control the three fencing weapons. Wall version.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée  
Sabre

**Electronic repeaters of the signalling lights for fencing**

**LIGHTS Repeater**

(art. 894-A) Size: 56x19x4cm.

Electronic repeater at distance of the FULL-ARM-01 and FULL-ARM-05 signalling lights, for the three fencing weapons.

**SUGGESTED SPORTS**  
Fencing

**FULL-ARM-05 Repeater**

(art. 832) Size: 56x23,5x9cm.

Electronic repeater at distance of **all the information** provided by FULL-ARM-05, for the three fencing weapons.

**SUGGESTED SPORTS**  
Fencing

**Wireless fencing apparatuses / Wireless fencing scoring equipment**

**WF1 Wireless fencing apparatus**

(art. 897-01) Size: 26,5x21x7cm.

Wireless apparatus for signalling hits in fencing, suitable for epee and foil training.

**SUGGESTED SPORTS**  
Fencing  
Foil  
Épée

**Electronic fencing target**

**Electronic Fencing Target, EFT-1**

(art. 970) Size: 63x46x5cm.

**Electronic target for fencing training.**

A great teaching aid for fencing masters, who can program multiple types of exercises by setting various parameters for each exercise depending on the abilities and needs of their students. A must-have for all fencing halls.

**SUGGESTED SPORTS**  
Fencing

**Electronic device to testing the fencing weapons and body-cords**

### TESTER-A2

(art. 899-02) Size: 21,0x12,0x14,0cm.

**Portable professional electronic Tester, with rechargeable battery,** for measuring **contact and dispersion resistance** and for signaling possible **micro-breaks** in **weapons** (foil, epee, sabre) and in **fencing equipment** (bodycords, reels, conductive jackets and t-shirts, cables, etc.). With **OLED graphic display** for visualizing measured values.

### SUGGESTED SPORTS

Fencing  
Foil  
Épée  
Sabre

### TESTER-A1

(art. 898-1) Size: 3,8x5,5x2,9cm.

Miniaturized electronic tester, with battery, to control the body-cords contacts and micro-breaking, for the three fencing weapons.

### SUGGESTED SPORTS

Fencing  
Foil  
Épée  
Sabre

## Electronic miniaturized devices for fencing training and aid

### FTT-1

(art. 895) Size: 7,6x4,8x1,6cm.

Miniaturized signalling device for foil and epee hits, and tester for the body-cords of the three fencing weapons.

### SUGGESTED SPORTS

Fencing  
Foil  
Épée

### MINI 01

(art. 896-1) Size: 4x5x1,7cm.

Miniaturized electronic signalling device, with battery, for hits of the fencing épée.

### SUGGESTED SPORTS

Épée

### MINI-02

(art. 896-2) Size: 4x5x2cm.

Miniaturized electronic signalling wrist-device, with battery and without plug, for hits of the fencing foil.

### SUGGESTED SPORTS

Foil

### MINI 03

(art. 896-3) Size: 4x5x1,8cm.

Miniaturized electronic signalling device, with battery and 2-pins plug, for hits of the fencing foil.

### SUGGESTED SPORTS

Foil

### MINI-04

(art. 896-4) Size: 4x5x1,8cm.

Miniaturized electronic signalling wrist-device, with battery and 2-pins plug, for hits of the fencing foil.

### SUGGESTED SPORTS

Foil
